SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT

MEMORANDUM

DATE: February 6, 1991
TO: Class IV / Rule 219 Personnel
FROM: Tran Vo /s/ by TDV
SUBJECT: Fees For Rule 219 Applications

With the changes in Rule 301 in July, 1990, questions have arisen as to the applicability of certain sections of the Rule to Rule 219 applications. Please use the following guideline to determine Processing fees for these applications.

Application Date	Installation Date	Processing Fee	50% penalty P/O no P/C	Small Business	Multiple Equipment
<7/1/90	All	\$250* minus filing fee	NO	NO	YES
≥7/1/90	<6/3/88	Table I in Rule 301	NO	YES	YES
>7/1/90	≥6/3/88	Table I in Rule 301	YES	YES	YES

* This fee applies for equipment listed in Rule 301(c)(1)(G) only. Other equipment follows Table I

< Prior to
≥ On or after

The filing fees for Rule 219 applications should be as follows:

<u>Application Date</u>	<u>Fee</u>
< 6/5/89	\$75
≥ 6/5/89	\$100

Some applications submitted between 6/5/89 and 1/5/90 were charged with the regular filing fee at that time (\$160 or \$250). In this case, if the application number is 220000 or less, please use the filing fees as listed above; otherwise, please check the Account Receivable Records for the correct filing fee.
